**(Don't take my baby boy)**

There was a time before you

And there will be a time after you

**(Don't take my pride and joy)**

Though these bodies are not our  
own

Walk tall, little one, walk tall

(I hope I stay close)

**(Don't take my baby boy)**

**(Don't take my pride and joy)**

Let me hold you, let me hold you
